

BASIS Bar Stool

Features:

Basis bar stools are available in two heights, with a choice of solid timber or powder-coated steel frames. Timber finishes include natural oak or painted options that can be colour-matched to the steel frames for a bold, cohesive look. With its minimalist design and durable build, Basis is ideal for a variety of commercial spaces.

Options:

- Upholstered seat
- Steel or solid timber frame
- Glides: Soft or hard floors
