

PRECINCT MEET Booth

Features:

Precinct Meet Booth provides a room within the room. Available in both low and high screen encasings, the Meet Booth caters to the full spectrum of workplace modalities.

The low screen option builds a room for informal catch-ups with colleagues and vibrant collaboration. High screen creates an enclave within the bustling workspace for focused work and private group work. The oblong centre table, designed with the aesthetic capacity to act as both a casual café table or a work desk.

Option:

- Meet Small, Meet Medium or Meet Large
- Meet Small & Medium table comes with post leg
- Meet Large table comes with disc base
- In table power
- Cable sock: matching fabric to the other panel
