MAKR
Storage & Divider System

Features:

Agile flexible spaces require highly configurable storage solutions, and MAKR Storage & Divider System fulfills this need with finesse. Its modular design allows for effortless customisation, enabling businesses to tailor their storage layout to suit evolving demand. Available in four unit heights Low 915mmH, Mid 1310mmH, High 1705mmH & Tall 2100mmH. Through strategic placement, MAKR storage units also delineate specific work zones, fostering a sense of privacy for diverse work styles and tasks.

Be the maker of your storage solution and make your office work for you with MAKR.

Component Options:
- Pull handles or push latch (lockable)
- Internal Shelving & Dividers
- Side/Back Panels
- Whiteboard
- Planter Units

Design: ZENITH DESIGN STUDIO

Warranty: 7 years

Certifications: GECA, Greenguard

Materials:
